

MAKING GRASS HEADS

MATERIALS

- A pair of stocking that can be cut up
- A couple of cups of soil
- Some grass seeds
- Some googly eyes
- Glue

METHOD

1. Add grass seeds to the toe of an old pair of stockings
2. Add soil – more soil means a bigger head!
3. Tie off the stocking
4. Add your googly eyes or other decorations
5. Mist lightly with water and watch your grass head grow!
